

Setelah login di sistem, maka untuk membuka kelas lakukan tahap berikut:

1. Pilih “create news cohort”

2. Isi data-data yang diminta

The screenshot shows the 'Create New Cohort' form. The form fields are: Institute* (dropdown), Faculty* (dropdown with 'Lila Rahmawati' selected), Delivery Model* (dropdown with 'select delivery model'), Select Course* (dropdown with 'select course'), Select Stage (dropdown), Cohort Name* (text input with placeholder 'provide cohort name'), Start Date* (calendar icon) and End Date* (calendar icon), and Max Students Allowed* (text input with placeholder 'add number'). A 'Save & Next' button is at the bottom right.
