

# English Profession

## Final Teaching Demonstration & Course Reflection

Week – 15

## Lesson Objectives

- Plan and deliver a short, student-centered lesson using English.
- Apply classroom management, questioning, and instructional strategies.
- Give and receive constructive teaching feedback using structured rubrics.
- Reflect on personal progress and identify areas for future development.

## Mini-Teaching Demonstration

Students will teach a 5–7 minute lesson, including:

- **Introduction:** Hook, learning objectives.
- **Delivery:** Explanation with visuals/examples.
- **Interaction:** Ask 2–3 questions to engage class.
- **Closure:** Quick summary or reflection question.

**Topics** should relate to the student's background (e.g., computer science, education, or digital literacy).

## Self-Reflection:

- What went well?
- What felt difficult?
- What would I do differently next time?

## Evaluation Form

- Voice and pacing
- Confidence
- Instructional clarity
- Ability to manage class behavior
- Effective use of questions
